### **Transform UR Future Comes to Warrenton High School**

New this school year, Girl Scouts of Eastern Missouri is partnering with Warrenton High School to bring its Community Outreach Program, Transform UR Future (TUF), to the student body.

TUF aligns a trio of schools within a district—a high school combined with an elementary and a middle school and is offered to male and female students. A core group of peer leaders, known as Transformers, learn about anti-violence, decision-making skills and bullying; act as mentors for their peers; and deliver anti-violence workshops to middle and elementary school students.

Currently 21 students have registered as Transformers for the 2017-2018 school year. Staff members from Girl Scouts of Eastern Missouri will be holding the first TUF meeting on Tuesday, Sep. 5. Students who have not registered but interested can attend the Sept. 5 meeting to learn more about the program.
